

# Vrindaa Sharma

RED-TEAMER

## Profile

Motivated and detail-oriented cybersecurity enthusiast with hands-on experience in vulnerability analysis, penetration testing, and phishing detection. Successfully completed a cybersecurity internship, gaining practical exposure to threat analysis and security assessments. Skilled in identifying and mitigating vulnerabilities to strengthen system defenses. Passionate about ethical hacking and continuously expanding expertise in cybersecurity domains. Strong analytical and problem-solving abilities with a commitment to maintaining robust security postures. Seeking opportunities to leverage technical skills in a dynamic cybersecurity environment.

## Education

B-Tech Honors (specialisation in Cybersecurity), Graphic Era Hill University, Dehradun

AUGUST 2023 – PRESENT

## Internships

Cybersecurity, Shadowfox, remote

OCTOBER 2024 – NOVEMBER 2024

- Conducted periodic vulnerability assessments that identified potential threats and implemented appropriate security measures
- Performed vulnerability assessments to identify and address system weaknesses and potential risks
- Administered the security of the system, performing vulnerability scans and patch management

## Extra-curricular activities

Volunteer, National Service Scheme, Dehradun

NOVEMBER 2024 – PRESENT

As an active volunteer at the National Service Scheme (NSS), I have had the opportunity to contribute to various community-driven initiatives and social welfare programs. Through NSS, I have been involved in organizing awareness campaigns, cleanliness drives, blood donation camps, and educational programs for underprivileged children. This experience has not only enhanced my leadership and teamwork skills but has also deepened my understanding of social responsibilities. Being a part of NSS allows me to make a meaningful impact on society while fostering a spirit of selfless service and nation-building.
